HYDRAULIC 2-POST LIFT 3200 LV

Hydraulic dual-post vehicle lift designed for agriculture and landscaping equipment, as well as 3- and 4-wheeled vehicles weighing up to 3.2 tons : Mowers, tractors, ATVs, minicars, lightweight urban vehicles (Max. capacity per wheel : 800 kg).

- Max. working height : 1800 mm
- Max. track width : 2500 mm
- Adjustable wheelbase (from 1050 to 2600 mm) to accomodate a wide range of 3- and 4-wheeled vehicles.
- Sliding wheel supports to quickly adjust wheelbase measurement.
- Pivoting access ramps that act as stoppers to secure the wheel once the lift is raised.
- Limit switch and auditory signal when lowering the lift to warn nearby personnel and prevent injuries.
- Recessed installation kit available (Ref. 700457), contact us for more information.
